

Application No.: 09/966,028

Amendment Dated September 24, 2004

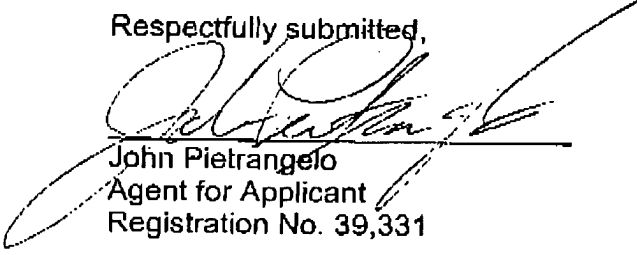

Reply to Notice of Non-compliant Amendment of Sept. 13, 2004

Remarks

By the above Amendments, the Applicant has simply identified claims 1-15 as cancelled. In a phone conversation with Ms. Burnell Ross on September 20, 2004, Ms. Ross confirmed to the Applicant's undersigned Agent that the only non-compliance that needed to be addressed was the identification of the disposition of claims 1-15. Ms. Ross also confirmed that only the list of claims need be submitted with this Response. The Applicant believes that the above amendment addresses the non-compliance. The Applicant requests that the above amendment be considered with the remarks submitted with the Response filed on June 22, 2004.

The Applicant believes that the application is in allowable form. Passage of the application to issue is earnestly solicited. Should any matters remain outstanding, it is requested that the undersigned Agent be given a call so that such matters may be worked out and the application placed in condition for allowance without the necessity of another Action.

Respectfully submitted,

John Pietrangelo
